PREPARING FOR THE P-TA OPEN HOUSE are Mrs. Diane Scruggs, first year teacher; Micky Wells and Mrs. Brenda Drinkard, P-TA President.

P-TA Primary School Will Have Open House Tonight

The traditional "Open House" will be the program presented by the Appomattox Primary School jointly with the school's Parent-Teacher Association at the first meeting of the year at 8 p.m. on Thurs., Sept. 16, 1976 at the school.

Patrons with children enrolled at APS are invited to visit their child's room, meet with their child's teacher and support the P-TA by joining at this first meeting. P-TA volunteers will be soliciting members and will be actively enlisting support for 1976-77 at tables stationed in the entry hall. Mrs. Brenda Drinkard, President of Appomattox Primary School P-TA, has stated that the cost of membership this year will still be $1.00 and extends a warm welcome to patrons to come and support their child's school.

Mrs. Patricia Torrence, Principal of APS, along with P-TA officers, has spent many planning sessions outlining the programs for the coming year for Parent-Teacher Association activities. The November meeting will focus on "Your Child's Day at School:8:30 to 3:00: January, Panel Discussion with School Board members and administrative personnel: March, Dr. W. D. Richards: "Parent Effectiveness Training: and May, "The Gifted and Talented Program" and Installation of Officers for 1977-78.

This year the P-TA is awarding free ice cream to each child in the homeroom having the most members (parents) present at Thursday's "Open House." Again, support your child's school and its P-TA!

Appomattox Garden Club Pays Tribute To The Late Flora Belle Williams

When the Appomattox Garden Club celebrated its 40th Anniversary on August 30th, the late Miss Flora Belle Williams was honored when members adopted the following Resolution:

"In the passing of Miss Flora Belle Williams on April 16, 1976, the Appomattox Garden Club lost a faithful Charter Member. In addition to her substantial contributions to the Garden Club, for many years she sponsored a Junior Garden Club in the Appomattox Elementary School. At this time there were only two Junior Garden Clubs in the State of Virginia.

We believe the appreciation of music, art, and the beauty of things around us was stimulated by her influence and example.

BE IT RESOLVED, that a copy of this Resolution be written in the minutes of the Garden Club, a copy sent to her family, and a copy published in the County newspaper. Appomattox, Virginia August 30, 1976

AUCTION SALE

WHY SELL YOUR FARM - TIMBER AND FARM EQUIPMENT AT AUCTION?

It enables you to sell promptly and for the top dollar - then you can go ahead with your other plans and money.

Trying to sell privately for the top dollar is hard to do - sometimes it is never sold. In trying to sell privately you don't know how to plan for next year or even next week.

For the top dollar, property should be well advertised by experienced realtors who know their business and have the confidence and following of the general public.

Property definitely should be sold on the premises and not at the courthouse, as is a practice in some areas.

Licensed realtors are the people to get to sell your property, this is their only business, one they know how to promote and advertise. This is the difference between a good sale and a poor sale.

If my property is put up at auction and a reasonable price is not gotten, do I have to let the property go? NO.

Who do I contact with no obligation to me, who has the experience and the confidence of the public for an auction sale of my property?

J. W. SHELTON AUCTION AND REALTY, Halifax, Virginia, with 23 years experience, two auctioneers, nine licensed salesmen, a member of Virginia Association of Realtors, also the National Association of Realtors, Licensed; Bonded and Insured. Licensed in both Virginia and North Carolina.

Call us collect to discuss your property with you, at no obligation to you.
